FAMILIES TOGETHER

As A Corporate Partner

Team up with Families Together and expand our capacity to help more local families with children move from homelessness to home.

Nearly 8,000 Wake County children – a 30% increase in five years – will experience homelessness this year.

Your partnership will help end the cycle of homelessness by providing emergency family shelter, access to affordable housing, life skills training, and ongoing holistic support services for the entire family.

Families Together has a 44-year history of operating in this community and a vested interest in seeing our Corporate Partners thrive.

Invest in a trusted philanthropic organization that has earned a Platinum rating from Guidestar, Four-Star rating from Charity Navigator, and Impact Partner status with United Way of the Greater Triangle.

As a Corporate Partner, your company will give children a brighter future and make our community better for all.
