WELCOME BASKET DRIVE

When a family moves into their new home, we like to celebrate with the gift of a Welcome Basket. Filled with cleaning supplies both for the house and the body, these baskets help families start off on the right path to a healthy, happy home. The long hot summer has left our shelves in need of restocking and we are currently accepting donations. For more information or to schedule a drop off or pick up, please contact Meghan@FamiliesTogetherNC.org or call 919.212.1123 x 232.

Every Welcome Basket comes the following:
